

ADVENT

Week 3

Peace on Earth

Current Series:

Peace on Earth

Advent

Nov 27 - Dec 18

How do we prepare for the Prince of Peace's arrival? By looking inwardly to assure that we are at peace, by bringing peace in the showing of empathy toward others, by taking action against that which does not bring peace, and highlighting the peaceful things that are already going on in our city.

Take Action!

This week we want to practice justice. We want each small group at some time in the month of December to take part in bringing justice to your communities. This is a major part of who we are as a church and is a way we promote peace during the Advent season.
